FERGUSON ON TREND

"Garamond" is a sleek chandelier that features swing arms in a chrome finish and matching chrome shades by Curry and Company, and is available from Ferguson. Its Mid-century modern design is enhanced by LED lighting and a shapely modern form. fergusonshowrooms.com

ERINN VALENCICH AT J NELSON

Award-winning designer and TV personality Erinn Valencich, founder of Erinn V. Design Group, creates bench-crafted furniture based on Old World tradition. Shown is the "Diamond Door" single cabinet in walnut from her new collection available at the J Nelson Showroom in Hollywood, Fla., where she was recently a guest speaker. erinnv.com

MODLOFT MIAMI

Winner of the 2016 Good Design Award, Modloft's "Vesey" lounge chair was created by distinguished Brazilian designer Ronald Sasson. The piece is constructed from one continuous layer of steel, wrapped in natural wood veneer and clad in Italian woven fabric. 305/779-9130
